Joanne,

I have attached a pdf that contains the signed insertion orders for the 2-wave Oxycodone direct-mail and the email program. Additionally, I have attached a spreadsheet that provides the names and addresses of the top 10,000 prescribing doctors of Opana ER. This is the list we would like to use for our direct mail campaign.

Currently, the mailing piece is at the printshop with an estimated completion date of Wednesday 7/13/11. I will have 10,300 (includes 3% for spoilage) of the mailer shipped to Georgia Barsa in Clinton, NJ as per the instructions on the insertion order.

We expect to launch Oxymorphone HCL ER Tablets on 7/15 and would like for the mailing to be as soon after that date as possible. Can you please advise an estimated production/ship date? We will plan on shipping the 2nd wave three weeks after the first wave goes out. Please proceed with printing the address cards in preparation for production. Please send the address card proof to Jinping McCormick (jmcormick@actavis.com; also copied on this email), for approval of the proof. If you need to speak to Jinping, she can be reached at 973-889-6977.

We are in the process of finalizing html email program materials now. If I am unable to provide this to you before the end of the day, either Jinping or Dorothy McEntee from Catalyst (914-827-0607) will provide the materials. We would like the blast email to go out the week of the 18th if possible. I remember that you advised that it is best to send an email of this type out around Tuesday/Wednesday, and I agree with that logic.

Thanks for your help on this important project. As you know, I'll be on vacation next week with limited access to email; however, if you find yourself with an emergency on your hands, you can always call me on my cell.

Best regards,

David

Hi David,

Hope you had a great 4th in Baltimore!

I know you are on vacation tomorrow and just wanted to check in regarding the first wave mailing for this month.

If you have that list and can email it to us and instructions/info would be great.

Did you have a date in mind for the mailing? For the emailing?

Or if you prefer (as I am sure you are busy today) I can reach out to JinPing next week.

Hope you are well and have a great time on the Cape!

I am running to a meeting now and will be back later this afternoon.

Thanks David.

Best regards,

Joanne T. :-)

Hi David,

TGIF!!

I hope this finds you feeling much better and gearing up for the long holiday weekend!

Thank you for choosing PDQ for this next mail program.

Attached for your review and signature are two insertion orders.

One is for the 2-wave mail program (July/August dates TBD by you).

The second one is for that pharmacy email blast that we will be doing (after the 7/15) in conjunction with this mail campaign.

When you have a chance and can email us those 10,000 names that would be great.

On the email blast please know we broadcast one email to this audience per day as we do want to saturate the opt-in pharmacists and risk them opting out.

So when you have decided on an email blast date please let us know so we can get ACTAVIS scheduled on the calendar.

We ask for html for the email blast.

Any questions just let us know.

Thanks again David and to Jinping we appreciate your business..

Have a great 4th!!

Best regards,

Joanne T. :-)
